

STUDENT AFFAIRS ADMINISTRATION

Goals and Objectives

I. Continue to promote a multicultural environment and preserve, in practice, the concept of "A Living Laboratory of Human Relations."

- A. *Provide cultural activities that will increase awareness and appreciation of various cultures, as well as enhance and facilitate their interaction.*
- B. *Increase support for the personal, cultural, and academic development of the campus community.*
- C. *Increase the development of a variety of services and programs to meet the needs of a diverse student population.*

II. Provide and promote services that facilitate increased student success.

- A. *Provide a learning environment that will contribute to student success.*
- B. *Provide additional personal growth and leadership development training and opportunities for the benefit and enhancement of our students and society.*
- C. *Seek additional funding to expand student academic support programming.*
- D. *Increase the promotion of Student Affairs services and programs available to assist students.*
- E. *Promote increased activities that will enhance recruitment efforts and increase retention and graduation rates of students.*
- F. *Work collaboratively with Academic Affairs and other campus constituencies in the design and implementation of a required University Learning Skills (First-Year Experience) Course.*

III. COMPREHENSIVELY ASSESS THE QUALITY OF STUDENT AFFAIRS SERVICES.

- A. *Develop and implement assessment of individual department areas and programs.*
- B. *Implement actions and responses to assessments by individual units.*
