

INTENTION AND GOALS  
FOR ELECTION  
2008-2009

My intentions are to run for Vice President in the current 2008-2009 election. It has come to my attention that the student body has been kept out of touch with WVSU business and activities. As Vice President I would promote and support:

- Bridging communications between SGA & SOC, to resurrect and promote goodwill among them.
- I would actively listen to the students' voices and work to improve the quality of their educational experiences while on campus.
- I will promote more student activities and encourage activities to be shared by SGA, SOC and the student body.
- Create a job network for students.
- Propose to drastically reduce gym membership fees.
- Attempt to develop a positive community for students and unite the campus.
- Propose an "Open Door" SGA Policy.
- Reach out to students and become a known available presence, as Vice President, to be used as a conduit between SGA, SOC and ALL Student body.
